Pense, Arthur W. (biographical note) 346

Personality, An objective approach to the personality and environment in homosexuality 626

Phallic elements in primitive, ancient and modern thinking 278

Physiologic concept, A, of hypoglycemia and convulsive therapy 92

Physiology, The, of the "shock" therapies 357

Pleasure, Hyman: Malarial treatment for general paresis in the presence of pulmonary tuberculosis 547

Poisoning, Use of metrazol in barbiturate 13

Polatin, Phillip (with Eisenstein, Victor W., and Barrera, S. Eugene): Organic psychoses simulating dementia præcox 391

Positive transference in schizophrenia 674

Posteonvulsive asphyxia, The prevention of in electric shock therapy.. 23

Prevention, The, of major and minor complications in metrazol therapy; modications of technique 660

Prevention, The, of posteonvulsive asphyxia in electric shock therapy.. 23

Primitive, ancient and modern thinking, Phallic elements in 278

Problem, The, of frigidity 374

Psychiatric problems, Correlation of some, encountered at induction centers and in army hospitals 225

Psychology, The, of ideas of unreality with emphasis on feelings of strangeness 316

Psychopathic and neurotic juvenile delinquents, The effects of benzedrine sulfate on the behavior of 127

Psychopathic personalities, A study of women, requiring hospitalization 61

Psychosis of association—*folie à trois* 138

Psychosomatic aspects of allergy 618

Psychotherapeutic and interpersonal aspects of insulin treatment 179

Pulmonary edema and electrocardiographic findings resembling coronary occlusion in insulin treatment 650

Pulmonary tuberculosis, Malarial treatment for general paresis in the presence of 547

Rabin, Albert I.: Fluctuations in the mental level of schizophrenic patients 78

"Racial" factor, Is inclination to mental disease within a population group a, ? 240

Remissions, Amnesic syndrome with short, during electric shock treatment 600

Riemer, Morris D.: The psychology of ideas of unreality with emphasis on feelings of strangeness 316

Rôle, The, of rural socio-cultural factors in the functional psychoses.. 301

Rorschach, The, analysis of psychotics subjected to neurosurgical interruption of the thalamo-cortical projections 43

Rural socio-cultural factors, The rôle of, in the functional psychoses.. 301

Schizophrenia, An interpretation of the divergent outcome in, in identical twins 587

Schizophrenia, Positive transference in 674

Schizophrenic patients, Fluctuations in the mental level of 78

Sequence, Types of, in human behavior 490

Sexuality, Disorders of male, as encountered in the practitioner's office 567

"Shock" therapies, The physiology of the 357

Shock therapy in the involutional and manic-depressive psychoses.... 118

Shulack, Norman R.: Sudden "exhaustive" death in excited patients 3

"Spontaneous," The, mental cure 105

Squires, Mildred (with Tillim, Sidney J.): A physiologic concept of hypoglycemia and convulsive therapy 92

Stanley, Alfred M. (biographical note) 347

Statistician's pencil, Concerning a, (editorial) 327

Strangeness, The psychology of ideas of unreality with emphasis on feelings of 316

Study, A, of women psychopathic personalities requiring hospitalization 61

Sudden "exhaustive" death in excited patients 3

They who get slapped (editorial) 153
